

### Important Update on Isofield Vista, Isofield Horizon and Isofield Kits Shelf Life

The Isofield range of Vista, Horizon and Kits listed below will have their shelf life extended from 3 years to 5 years. This extension is supported by in-depth stability studies.

There are no changes to the product, materials or manufacturing process except for the expiry stated on the product. It will be a running change therefore, once we have depleted our stock with 3 years expiry, we will start supplying new stock with 5 years expiry.

This improvement comes into effect from **Lot 250224** onwards for Vista and Horizon range,
