

## Update on Company Address Added onto Certificates

This is to formally notify that, effective from the year 2026, the Certificates of Analysis (COA) and Certificates of Conformance (COC) issued by Isofield Sdn Bhd have been updated to include the company’s registered address.

The addition of the company address to these certificates is intended to enhance clarity, traceability, and compliance with documentation standards. No other changes have been made to the format, content, or validity of the certificates.

All future COA and COC documents will reflect this update accordingly.
